"We had the privilege of having this wonderful family at our church. Not only are they extremely talented, but humble, sincere and genuine. They are the real deal.

We look forward to having them back again."

"De-La-Croix brought a powerful mix of music and stories to our church. Their songs touched our people's lives and related to them in a very special way--and they continue to do so. We were blessed to have them perform at our church as well as be a part of our Sunday morning worship time."

Bret Hammond, Pastor, Kansas Christian Church, Kansas Illinois

"Their music is high quality performance and their heart is for ministry. I would heartily commend to you de la Croix for a Sunday morning or for a special evening event."

Joel Giles, Senior Pastor, Calvary Bible Church, Bourbonnais IL.

"Awesome!"

Lang Bliss, Live Music Producer at Tom Jackson Productions, Nashville TN.

"The Fontaine family plays in perfect unity with each other, and in harmony with the Spirit of God. I hope the songs they have written find a wide audience."

Zeke Nelson, Pastor, Church of the Cross, Delhi, CA

"The youth in grades K-12 who attend Oasis at the Flora Presbyterian Church in Indiana LOVED de la Croix!! The two words used most often to describe the band were awesome and amazing. They loved sitting with the band during dinner, singing and dancing to the music, and taking selfies with the band after the concert. Please come back! It was super easy to host this band. They brought their own equipment and sound system and set everything up. They were able to use our small stage after moving the pulpit. On Sunday they led worship and three older congregations came together to enjoy their music and message. The music wasn't too loud for old folks and everyone agreed that we need a repeat performance the next time they are here on tour!"

Joe & Barb Mayfield, Directors of Oasis Ministry, Flora Presbyterian Church Flora Indiana
